Performing Dance is an exhilarating class that challenges students to strive for creativity as they work and sweat putting advanced dance routines together. The class tours South Phoenix grade schools and also performs outside the area (Civic Plaza, State Fair, etc.). Ms. Scheibli, the dance instructor, has high standards, but those who accept the challenge are rewarded with many opportunities to demonstrate their newly-honed skills before an audience.

It has been a pleasure being at South High the past four years. I would like to thank all of my teachers for helping me pass. Best of luck to the upcoming seniors.

Good luck with all the goals you have in life, and keep striving for the best, cause you're worth it. Let the Rebel spirit live on!

Lucinda Raza

I would like to thank God for helping me through the four years at South, I wish all the students good luck with the years they have at South. Always keep your head up, and reach for the sky! God bless all.

Hey underclassmen! Listen here! I've attended South four wonderful years, but now they're over, and the time went fast. Try to have positive, reachable goals, so the memories of high school experiences will be pleasant ones.

Some students think that hanging around, smoking reefers, and having babies are things to accomplish in high school; more time and experience usually show us these roads are not the ways to success and bettering our lives. We often strive to reach a goal only because we want the recognition, not because we want to put our hearts into complete efforts.

High school at South can be what you want it to be. Just believe in yourself, and the many doors of life will be open . . . , if you're willing to take the steps!

*Samantha
Perkins*

Class of 83, I wish you lots of luck with your future plans, wherever they may take you. The past four years have really been "something else," and the memories will not be forgotten. To all the undergraduates, I wish you luck in "surviving" South High. Have Rebel pride and spirit in your school, and remember: South High is like totally b%&e*en twitchen to the max, fer sure!! Luv ya, Benice.
